

Student Newsletter – 18 November 2025

Dear Students,

Dear Parents,

The *Student Newsletter* regularly shares **important** updates about school life.

This edition covers:

- Life at Mosa
- Upcoming events
- School calendar

1. LIFE AT MOSA

Return from autumn holidays

After a well-deserved break, returning to classes can sometimes be demanding, both physically and mentally. The body gradually readjusts, and the mind must reacquaint itself with the rigours of daily work. This transition phase is completely normal.

Any fatigue you may feel during this period does not indicate a lack of willpower or a setback in your progress. It is simply a sign that your body is adjusting to a new rhythm after a period of recovery.

We therefore wish our students all the best for their return to school and remain available for any questions or requests.

Christmas Dinner and Secret Santa

We are delighted to announce the return of the end-of-year festivities at Mosa!

As last year, we are organising an evening meal for all our students to celebrate the festive season. This will be an opportunity for all *Prep, Main* and *Professional Programme* students to get together.

This year, the *Christmas Dinner* will take place on Thursday 18 December between **7pm and 9.30pm**. The meal will be enjoyed in a convivial atmosphere with a festive menu. To make this evening even more festive, we invite you to wear your best outfits!

We would like to take this opportunity to announce that, as last year, we will be organising a Secret Santa for our students. The principle remains the same and the activity is not compulsory.

As a reminder, each participant will be assigned the name of another participant by random draw - **via their Mosa student email address** - in order to give them a gift. It is therefore entirely possible that you will be assigned a classmate you know little or nothing about, which is precisely the point of this activity. We invite you to give a small gift worth around €5, as the aim of this activity is to promote conviviality and the pleasure of giving.

Those who wish to participate can sign up on the sheet posted on the door of the Mosa restaurant. Registration closes on Friday 28 November, to give you time to find a gift. The draw will take place immediately afterwards and you will receive an email from **TIROKDO** at . All you have to do is follow the instructions to find out who to give the gift to.

The **gift exchange** will take place during the *Christmas Dinner* on the evening of Thursday 18 December.

We hope that many of you will participate!

Life at the boarding school

■ The Mosa Christmas tree 🌲

For our boarding school students, we are planning to decorate the Christmas tree during the week of 24-30 November. The tree will be set up in **Studio 6**, as it is every year.

Traditional decorations will be provided by Mosa, but we warmly invite our students to add their own personal touch – whether handmade, found at a flea market or brought from home, be creative!

Items on La Procure

Following multiple price increases from our suppliers, we must inform you of a price adjustment for certain items available at La Procure. The price change is effective as of this communication.

As has been the case in the past, we are doing our utmost to ensure that the costs have a minimal impact on our students and their families.

In addition, we are delighted to announce the arrival of two new items already available online via the Parents Corner:

- A Mosa sewing kit
- Mosa T-shirts for students to wear at events

Bloch order

We had the pleasure of welcoming our partner Bloch before the autumn holidays to try on their items.

This partnership offers you a 10% discount on items ordered.

To place an order for pointe shoes or ballet shoes, we invite each student to submit a request to their ballet teacher. Once we have enough requests, a group order will be placed.

However, Bloch elastic bands and ribbons are available for purchase at La Procure, via the Parents Corner.

2. UPCOMING EVENTS

Winter Performance

We will send you all the practical information about *the Winter Performance* by **email** as soon as possible.

However, we can inform you that on Sunday 7 December 2025, all students must be present to take the bus to go to Brussels and for the return to Mosa.

Exit Pass

We kindly ask students and/or their parents to fill out an *Exit Pass* for the end-of-year holidays by 15 December 2025 at the latest.

As a reminder, the boarding school will close at **noon** on Wednesday 24 December at the latest.

The boarding school will reopen on Tuesday 6 January 2026 from **3pm**.
